

## Heavy Shredder :

With this MAAX Shredder(Tractor PTO Powered) you can turn your organic waste like coconut branches into high quality compost for agriculture and gardening. The speed of vegetation growth in the tropics makes the wood chipper an essential item in any efficient gardening or agricultural work. Instead of burning your waste you can convert it into eneficial nurturing material for composting, and then return it to your soil.

This Heavy Shredder is extremely useful for effortless chipping of branches, bushes and shrubs up to 4 inch diameter, for faster conversion into compost fertilizer.

Recycling leaves for composting is far better than burning. Shredding speeds up the process and prevents leaves forming compact layers that seal the heap.

## SPECIFICATION :

- Chipping capacity : 8" (200mm)
- Power Source : 25-45 hp Tractor
- PTO Speed : 540rpm/min
- PTO Spline : 6\*8\*520mm
- Radius of blade rotation : 302mm
- Working Efficiency : 8-9m3/h
- Chipping Knives : 2-4 pieces
- Weight : 370 kgs
